

would speedily return to its primitive condition. They are the men of the future, and their success will depend on their ability to overcome the obstacles which stand in their way. We extend our hearty congratulations to the envoys of other commercial organizations who have gathered here in the city of Salt Lake, and we trust that the success of their mission will be a source of pride to the people of this city.

Tribute to the Press.

The newspaper men, like the poet, are always with us, and we are glad to see them here. They are the men who tell us the truth, and we are glad to see them here. They are the men who tell us the truth, and we are glad to see them here. They are the men who tell us the truth, and we are glad to see them here.

No Local Spirit.

The movement which has embraced upon it the motto "See America First" is not a local movement. It is a movement which is being carried on all over the world. It is a movement which is being carried on all over the world. It is a movement which is being carried on all over the world.

Has Seen America.

Speaking personally, I have never been to Europe, but I have been to the United States. I have seen the great cities of the United States, and I have seen the great mountains of the United States. I have seen the great cities of the United States, and I have seen the great mountains of the United States.

Not a New Idea.

Upon a trip to New York some years ago I was accompanied by a man who was a member of the "See America First" movement. He was a man who was a member of the "See America First" movement. He was a man who was a member of the "See America First" movement.

Where the Fault Lies.

Its promoters admit that this is no new movement. For years patriotic American newspapers and clubs have been urging the people to see America first. It is a movement which is being carried on all over the world.

Real Work Has Begun.

So while experience has been at the conference, it is not a new movement. It is a movement which is being carried on all over the world. It is a movement which is being carried on all over the world.

Voice the Protest.

It is for this purpose that the conference is being held. It is a movement which is being carried on all over the world. It is a movement which is being carried on all over the world.

GOV. CUTLER'S SPEECH.

Executive of Utah Also Welcomes Delegates to Zion. After the applause which greeted Mr. Cutler's address and the introduction of Utah's executive had subsided, Gov. Cutler spoke as follows:

Mr. Chairman and Gentlemen of the Conference: I wish first of all to congratulate the Commercial club of this city for its successful management of the conference. It is a movement which is being carried on all over the world.

Representative Delegates.

There are before me representative gentlemen from various parts of our great country. I am sure that each of you will find in this city a warm and friendly welcome.

TODAY'S COUGH

TOMORROW'S PNEUMONIA

NEXT WEEK'S DEATH

Cure your cough and your lungs at one and the same time. Dr. Acker's English Remedy is guaranteed by every druggist to do this. It is not merely a cough cure, but a lung cure. You cannot permanently cure a cough if you only cure the throat. You must cure the lungs. Dr. Acker's English Remedy is guaranteed by every druggist to do this.

of sections of our country made famous by such scenic attractions as the Yosemite valley, the Colorado river, the Yellowstone park, the Grand Canyon of the Colorado, the great Sierran peaks, the Mammoth Cave, the great Mississippi system, the picturesque Alleghenies, the cliff and peaks, the ruins of the great cities, the ruins of the great cities, the ruins of the great cities.

America Is Superior.

None of you would acknowledge in words that Europe has points of interest superior to those I have named. Then why should America be so inferior? Why should America be so inferior? Why should America be so inferior?

For Benefit of Country.

I welcome to this conference you whose patriotism and zeal for the promotion of the growth of America have led you to gather for the excellent purpose we have in view. It is not in vain that you have gathered here. It is not in vain that you have gathered here.

JUDGE POWERS SPEAKS.

Extends Welcome on Behalf of Salt Lake City.

Following the address of welcome by Gov. Cutler, Judge O. W. Powers spoke impromptu for the City of Salt Lake. He extended a warm and friendly welcome to the delegates to the conference.

For Good of the Land.

"We are indeed a hospitable people," Judge Powers said. "We are indeed a hospitable people. We are indeed a hospitable people. We are indeed a hospitable people."

Do Not Know of the West.

"The man who lives in New York," Judge Powers said, "does not know of the West. He does not know of the West. He does not know of the West."

Exhibits Turned Over.

In addition to the money returned to the State, exhibits of considerable value were turned over to various institutions. Some of the exhibits were of considerable value.

Commend the Officers.

Before final adjournment the commissioners adopted resolutions commending the officers of the conference. They were indeed a successful conference.
